15 reverse order of that provided in **this subsection** or alternate
16 the rotation so that the candidates of different parties shall

35 EXPLANATION

1 The inclusion of this explanation does not constitute agreement with
2 the explanation's substance by the members of the general assembly.

3 This bill relates to the conduct of elections.

4 DIVISION I — PROCEDURES FOR PROPOSED AMENDMENTS TO THE IOWA
5 CONSTITUTION. This division of the bill relates to proposed
6 amendments to the Iowa Constitution. The bill requires the
7 legislative services agency to publish on its internet site a
8 list of all propositions to amend the Constitution as they are
9 filed. The bill also requires the agency to post and maintain
10 separate lists of proposed amendments that have been passed by
11 one general assembly and by two consecutive general assemblies.
12 The bill provides that such publication shall satisfy the
13 constitutional requirement that proposed amendments be
14 published prior to the election of the second general assembly
15 to pass the proposed amendment. The bill directs the secretary
16 of state to endeavor to publish proposed amendments in two
17 newspapers of general circulation but removes the requirement
18 that the secretary do so.

19 The bill allows the full text of a proposed constitutional
20 amendment to be posted in the voting booth rather than on the
21 ballot.

22 The bill repeals a Code section explicitly granting a
23 taxpayer the authority to intervene in an action to test
24 the constitutionality of a proposed amendment to the Iowa
25 Constitution.

26 DIVISION II — ISSUANCE OF BONDS. This division of the bill
27 relates to the issuance of bonds. The bill requires a public
28 measure to approve the issuance of bonds to include on the
29 ballot the current property tax levy, the term of the bond,
30 and the average increase or decrease in the cost of a home
31 in each county voting on the bond, as well as the average of
32 such averages, according to data provided by the United States
33 census bureau.

34 DIVISION III — SELF-PROMOTION WITH TAXPAYER FUNDS. This
35 division of the bill relates to the prohibition on using

1 taxpayer funds for self-promotion. The bill defines "direct
2 mass mailing" for the purposes of the prohibition as a mailing
3 the purpose of which is to promote a person or idea sent by a
4 statewide elected official that is delivered by a mail service,
5 sent to more than two hundred addresses, is substantially
6 similar as regards each mailing, and all of which mailings are
7 sent at the same time or within 30 days of each other.

8 DIVISION IV — HOSPITAL BOARD OF TRUSTEES ELECTIONS. This
9 division relates to elections for hospital boards of trustees.
10 The bill provides that trustees in a county with a population
11 of at least 400,000 shall serve for terms of six years. A
12 trustee elected to a term of four years in or after January
13 2018 shall instead serve a term of six years.

14 The bill allows a board of trustees to fill vacancies on the
15 board through appointment at any time. Current law limits a
16 board's appointment powers to until the next general election.

17 The bill provides for staggered terms of service for
18 trustees elected in 2022.

19 DIVISION V — TECHNICAL CHANGES. This division of the bill
20 relates to technical changes to the election laws of Iowa.

21 The bill eliminates the second Tuesday in December as a
22 possible date for a special election on a public measure in
23 a school district or merged area in an even-numbered year.
24 The bill also eliminates the first Tuesday in December as a
25 possible date for a special election on a public measure in a
26 city in an even-numbered year.

27 The bill makes the false or fraudulent signing of nomination
28 papers on behalf of another person and the misuse of voter
29 registration information election misconduct in the second
30 degree. Under current law, misuse of voter registration
31 information is election misconduct in the third degree. A
32 person who commits election misconduct in the second degree is
33 guilty of an aggravated misdemeanor. An aggravated misdemeanor
34 is punishable by confinement for no more than two years and a
35 fine of at least \$625 but not more than \$6,250.

1 The bill permits the state commissioner of elections to
2 require a written explanation from a county commissioner who
3 has been issued a notice of technical infraction. Such an
4 explanation must contain measures the county commissioner took
5 to redress the issues in the notice.

6 The bill requires a person circulating a petition for
7 nomination to include that person's name, signature, address,
8 and phone number. The bill also specifies that a signature
9 line must contain a signer's residential address. The bill
10 prohibits a signature line from being counted if the signature
11 line contains a partial address or a post office box address,
12 or if any of the required information is crossed out or
13 redacted at the time of filing. The bill requires nomination
14 papers to be rejected if they do not contain information
15 required by Code section 43.18 (affidavit of candidacy).

16 The bill requires the state commissioner to issue a
17 certificate of nomination to each county commissioner as soon
18 as is practicable if a challenge to the nomination pursuant
19 to section 43.24 is pending. Current law requires the state
20 commissioner to issue such a certificate at least 69 days
21 before a primary election.

22 The bill permits objections to be filed to certificates of
23 nomination for candidates to replace candidates who have died
24 or withdrawn their nomination.

25 The bill permits the state commissioner to examine election
26 security assessments conducted or authorized by government or
27 private entities. Such information retains its confidential
28 status. The bill also permits the state commissioner to share
29 information provided by a county to an appropriate government
30 agency to safeguard against cybersecurity or physical threats
31 and to adopt rules for minimum security standards to which
32 county commissioners must adhere. The state commissioner may
33 limit access to the statewide voter registration system if a
34 county commissioner fails to meet these standards.

35 The bill requires a county commissioner of elections

1 to report to the state commissioner of elections when the
2 county commissioner believes that a cybersecurity incident or
3 data breach has occurred. The bill also requires a county
4 commissioner to report to the state commissioner on an annual
5 basis if the county commissioner has no reason to believe that
6 a cybersecurity incident or data breach has occurred.

7 The bill requires the state registrar of voters to adopt
8 rules regarding access to the statewide voter registration
9 system and training requirements, technology safeguards, and
10 breach incident response requirements.

11 The bill extends the deadline by which voter registration
12 forms must be submitted to voter registration agencies, motor
13 vehicle driver's license stations, and county treasurer's
14 offices participating in county issuance of driver's licenses
15 from 5:00 p.m. to 11:59 p.m. on the day registration closes for
16 an election.

17 The bill changes the time frame for the state commissioner
18 of elections to send an acknowledgment of receipt of a voter
19 registration form or change of information, if that form was
20 submitted within 14 days of a regularly scheduled election,
21 from within 7 days to within 48 hours.

22 The bill requires county commissioners of elections to
23 report temporary combinations of precincts to the state
24 commissioner of elections at least 25 days before the next
25 election for which the precinct will be active, or at least 10
26 days prior to an election held pursuant to Code section 69.14.

27 The bill allows the state commissioner of elections to
28 prescribe, and county commissioners of elections to place
29 on ballots, uniform abbreviations for political parties and
30 organizations. The bill allows abbreviations for the names of
31 political parties and organizations to be used on the remainder
32 of the ballot if the full name and abbreviation appear in the
33 voter instruction portion of the ballot.

34 The bill allows the state commissioner of elections to adopt
35 rules to establish pilot programs related to post-election

1 audits.

2 The bill requires the state commissioner of elections to
3 adopt rules for the implementation of the absentee voting
4 system.

5 The bill moves the first day to mail absentee ballots to
6 the first business day on which mail delivery is available
7 following the 29th day before an election in the event that the
8 United States post office is closed and not delivering mail on
9 the 29th day before an election.

10 The division takes effect upon enactment.

11 DIVISION VI — MISCELLANEOUS PROVISIONS. This division of
12 the bill relates to various changes to the Code.

13 The bill changes the rate of compensation for presidential
14 electors from \$5 per day to one-half of the per diem rate set by
15 the federal general services administration.

16 The bill changes the time at which the senate shall organize
17 as a court of impeachment from forthwith after the hour of
18 final adjournment to as soon as practicable. The bill also
19 changes the rate of compensation for members serving on a court
20 of impeachment to the same rate as for members serving in a
21 special session of the general assembly if the general assembly
22 is not in regular session. If the general assembly is in
23 regular session, the bill provides that members shall receive
24 no additional compensation.

25 DIVISION VII — NOMINATIONS BY PETITION. This division
26 alters the number of signatures required for a person to obtain
27 a nomination by petition.

28 DIVISION VIII — CONDUCT OF ELECTIONS. This division of the
29 bill relates to the conduct of elections.

30 The bill alters the list of possible dates for elections held
31 by counties, cities, school districts, and merged areas.

32 The bill provides that a person who holds an elective office
33 and wins an election for a second office shall automatically
34 vacate the first office if the person does not vacate one of
35 the offices.

1 The bill prohibits a person who seeks the nomination of a
2 political party for election to a certain office but loses the
3 nomination from being eligible for election to that office in
4 the next general election for that office.

5 The bill requires a ballot to include the county seal and
6 prohibits the commissioner's name from appearing on the ballot
7 unless the commissioner is a candidate.

8 The bill alters the deadlines for filing a nomination
9 petition, withdrawing a nomination, and filling a ballot
10 vacancy. If a vacancy occurs on a ballot due to the death of a
11 candidate after the date for filling a vacancy until the time
12 the polls close on election day, the election for that office
13 shall not be canvassed and the office shall be filled by a
14 special election.

15 The bill changes the filing deadline for nomination papers
16 of persons seeking to be a nonparty political organization's
17 candidate for elected office. The bill changes the deadlines
18 for filing nomination papers and objections to the same
19 deadline that is applied to persons seeking to be a political
20 party's candidate for elected office.

21 The bill prohibits a county commissioner of elections
22 from participating in an absentee ballot drive or collection
23 effort in cooperation with a candidate, candidate's committee,
24 political party, or nonparty political organization.

25 The bill requires county commissioners of elections to
26 ensure that each election precinct uses an electronic poll book
27 by February 26, 2020.

28 The bill moves the voter registration deadline for all
29 elections other than general elections from 11 days before an
30 election to 10 days before an election. The voter registration
31 deadline for general elections is currently 10 days before
32 the election. The bill does not affect election day voter
33 registration.

34 The bill allows the state commissioner of elections to
35 oversee the activities of county commissioners of elections

1 during a period beginning 60 days prior to an election and
2 ending 60 days after an election.

3 The bill prohibits county commissioners of elections and
4 the state commissioner of elections from distributing sample
5 ballots to voters other than as required by the Code.

6 The bill changes the circumstances under which and places at
7 which a county commissioner of elections may create a satellite
8 voting location.

9 The bill requires the county commissioner of elections to
10 remove or obscure from public view any material displaying the
11 name of a candidate or elected official other than a ballot or
12 sample ballot.

13 The bill changes the closing time for polling places for
14 state primary and general elections, and other partisan
15 elections, and any other election held concurrently therewith
16 from 9:00 p.m. to 8:00 p.m. The bill requires that the opening
17 and closing times for polling places be placed on the internet
18 site of the legislative services agency, voter identification
19 cards, and property tax statements.

20 The bill requires the state commissioner of elections
21 to transmit a certified copy of a constitutional amendment
22 or public measure and a sample ballot to each county
23 commissioner of elections 63 days before an election at which a
24 constitutional amendment or public measure is to be submitted
25 to a vote of the entire people of the state. Current law
26 requires such certified copies and sample ballots to be sent 69
27 days before the election.

28 The bill requires any election other than a presidential
29 election that results in a tie to go to a special election. A
30 tied election for president shall result in the electors being
31 split between the candidates.

32 The bill allows a candidate requesting a recount to request
33 the presence of a county commissioner of elections from another
34 county at the recount. Such a commissioner may report any
35 irregularities observed by the commissioner at any time after

1 the election to the state commissioner of elections.

2 The bill requires a recount for an election other than a
3 statewide election to include all precincts in which a ballot
4 for the contested election was cast.

5 The bill grants local law enforcement agencies and the state
6 patrol the authority to take all reasonable actions to prevent
7 violations of Code chapter 50 (canvass of votes).

8 The bill requires a county commissioner of elections who
9 receives an incomplete absentee ballot request to inform
10 the applicant within 24 hours of receipt of the request
11 by telephone or electronic mail if such information was
12 provided, and by mail if such information was not provided.
13 The bill prohibits a county commissioner of elections from
14 using the voter registration system to obtain additional
15 necessary information. The bill allows a county commissioner
16 of elections to verify the identity of an applicant for
17 an absentee ballot who cannot access the applicant's voter
18 verification number by asking for at least two of the following
19 from the applicant: date of birth, the last four digits of
20 the applicant's social security number, residential address,
21 mailing address, and middle name.

22 The bill requires a county commissioner of elections to
23 verify the identity of a person voting absentee in person in
24 the same manner as a poll worker verifying the identity of a
25 person voting at the polls on election day.

26 The bill allows an unregistered person seeking to vote
27 absentee at the office of a county commissioner of elections
28 prior to the voter registration deadline who does not have an
29 Iowa driver's license, nonoperator's identification card, or
30 voter identification number to vote absentee by satisfying the
31 voter identification requirements of Code section 49.78.

32 The bill changes the process by which absentee ballots
33 lacking a signature or appearing to have been signed by
34 someone other than the registered voter are verified. If such
35 a ballot is received by 5:00 p.m. on the Saturday before a

1 general election or by 5:00 p.m. on the Friday before any other
2 election, the county commissioner of elections must contact the
3 voter within 24 hours and inform the voter how to remediate
4 the ballot. A ballot received after the applicable deadline
5 is sent to the absentee and special voters precinct board
6 for review. The absentee and special voters precinct board
7 determines that the affidavit is incomplete, the commissioner
8 shall inform the voter within 24 hours how the ballot may be
9 remediated if the ballot lacks a signature or appears to have
10 been signed by someone other than the registered voter.

11 The bill alters the timeline for contesting a gubernatorial
12 election and the makeup of a contest court for such a
13 challenge.

14 The bill requires that all absentee ballots be received
15 prior to the time the polls close on election day. An absentee
16 ballot received after this deadline shall not be counted.

17 The bill prohibits a person from placing on any published
18 material a name or abbreviation of a name intended to cause a
19 voter to believe that the person represents a political party
20 or nonparty political organization of which the person is not a
21 candidate.

22 The bill alters the timeline for holding a special election
23 to fill a vacant office and prohibits a person who has ever
24 been removed from office from being appointed to fill a
25 vacancy.

26 DIVISION IX — CONFLICTS OF INTEREST. This division
27 relates to interests in certain contracts held by certain
28 county employees. The bill repeals the prohibition on
29 elected or appointed county employees holding an interest in
30 a contract for the construction, reconstruction, improvement,
31 or maintenance of any highway, bridge, or culvert, or the
32 furnishing of materials therefor. The bill requires a state
33 or county official who is a voting member of a governmental
34 entity responsible for awarding a contract pursuant to
35 competitive bidding procedures and is the apparent low bidder

1 for the contract to abstain from voting to award the contract
2 and include an explanation of the official's conflict in
3 the resolution entered pursuant to Code section 26.12. The
4 division takes effect March 18, 2021.

5 DIVISION X — VOTER REGISTRATION. This division of the
6 bill relates to voter registration. The bill instructs the
7 state registrar of voters to develop a form to be distributed
8 to and completed by each student graduating from a regents
9 university prior to receiving a diploma. The student shall
10 indicate on the form whether the student will reside in Iowa
11 after graduation. Any student indicating that the student will
12 reside outside Iowa after graduation shall be removed from the
13 statewide voter registration system unless the student plans to
14 vote in Iowa pursuant to Code chapter 53, subchapter II.

15 The bill alters the process for removing inactive voter
16 registration records. The bill requires a county commissioner
17 of elections to, during the January immediately following each
18 presidential election, mark as inactive the voter registration
19 record of a voter who did not vote in the presidential election
20 and who has not registered again, reported a change to an
21 existing registration, and whose name was not reported by the
22 national change of address program. The county commissioner
23 shall also send a notice and return card to each such voter.
24 The commissioner shall send a second notice in April to
25 each person who does not respond to the first notice. The
26 commissioner shall cancel the voter registration of a person
27 who does not respond to a notice by July 1.

28 The bill sets the cost of receiving a voter registration
29 and participation report from the state registrar of voters at
30 \$250. Under current law, the state registrar of voters shall
31 charge a person requesting such a report the cost of preparing
32 the report.

33 The bill requires each county commissioner of registration
34 to submit a report on voter list maintenance activities
35 annually to the state registrar of voters. The state registrar

1 of voters shall publish such reports on the internet site of
2 the state registrar of voters.

3 DIVISION XI — BALLOT ORDER. This division relates to the
4 order in which candidates appear on a ballot.

5 The division requires county commissioners of elections to
6 arrange ballots such that the candidates of the two political
7 parties receiving the highest number of votes shall each
8 appear first on the ballot for one gubernatorial election
9 and one presidential election in an eight-year period. The
10 candidates of a party appearing first on the ballot in half of
11 the counties in Iowa shall appear second on the ballot in the
12 other half of the counties.

13 DIVISION XII — MUNICIPAL ELECTIONS. This division of the
14 bill makes technical changes to Code provisions relating to
15 municipal elections.
